Custom Design - Superior Craftsmanship

Pull Fully Enclosed!

Take it down the highway, into the woods, on the ice or out into the open field. The strong and insulated three layer enclosure keeps you and you load protected.

Efficient aerodynamic design, water repellent and flame retardant. Multiple patterns to choose from.

Be one of the first on the lake and one of the last off! Weighs only 900 lbs.

HAULING - STORAGE

Haul all your toys and tools!!

No set-up time, pull it out and drop it down.

Full rear opening door, load and unload in minutes. Haul up to 2600 lbs.

Easy drop axel frame, no need for ramps.

USE ALL YEAR ROUND
